PENINSULA CLEAN ENERGY

You are invited to a Pacifica Chamber of Commerce *Eggs and Issues* breakfast featuring the Chamber's newest member, Peninsula Clean Energy! Peninsula Clean Energy (PCE) is San Mateo County's official electricity provider, with cleaner energy at lower rates for both residents and businesses. Learn how to calculate the savings on your bill, and about your environmental benefit. Peninsula Clean Energy works in partnership with PG&E, which still provides transmission and delivery (maintaining the wires), and sends you just one bill. Bring your latest PG&E statement, and we're happy to answer your questions.....
