PRESS RELEASE

June 26, 2013

On 06-26-13, at approximately 0630 hrs, the Pacifica Police Department responded to the area of Rosita Rd. and Oddstad Blvd. for a report of numerous vehicles with shattered windows.

Officers identified eight vehicles that had been damaged during the overnight hours. The damage to windows and vehicle panels indicates the damage was likely caused by a BB or pellet being fired. At the time of this release, a suspect has not been identified.

The Pacifica Police Department is offering a \$500 reward for information leading to the arrest and conviction of the individual(s) responsible for these crimes. Residents are asked to contact the police department if they have any information regarding these crimes, or to report suspicious persons or vehicles in their neighborhoods.
